ASAM

**THE FINAL EVOLUTION OF  
YOUR FAVOURITE POKEMON**

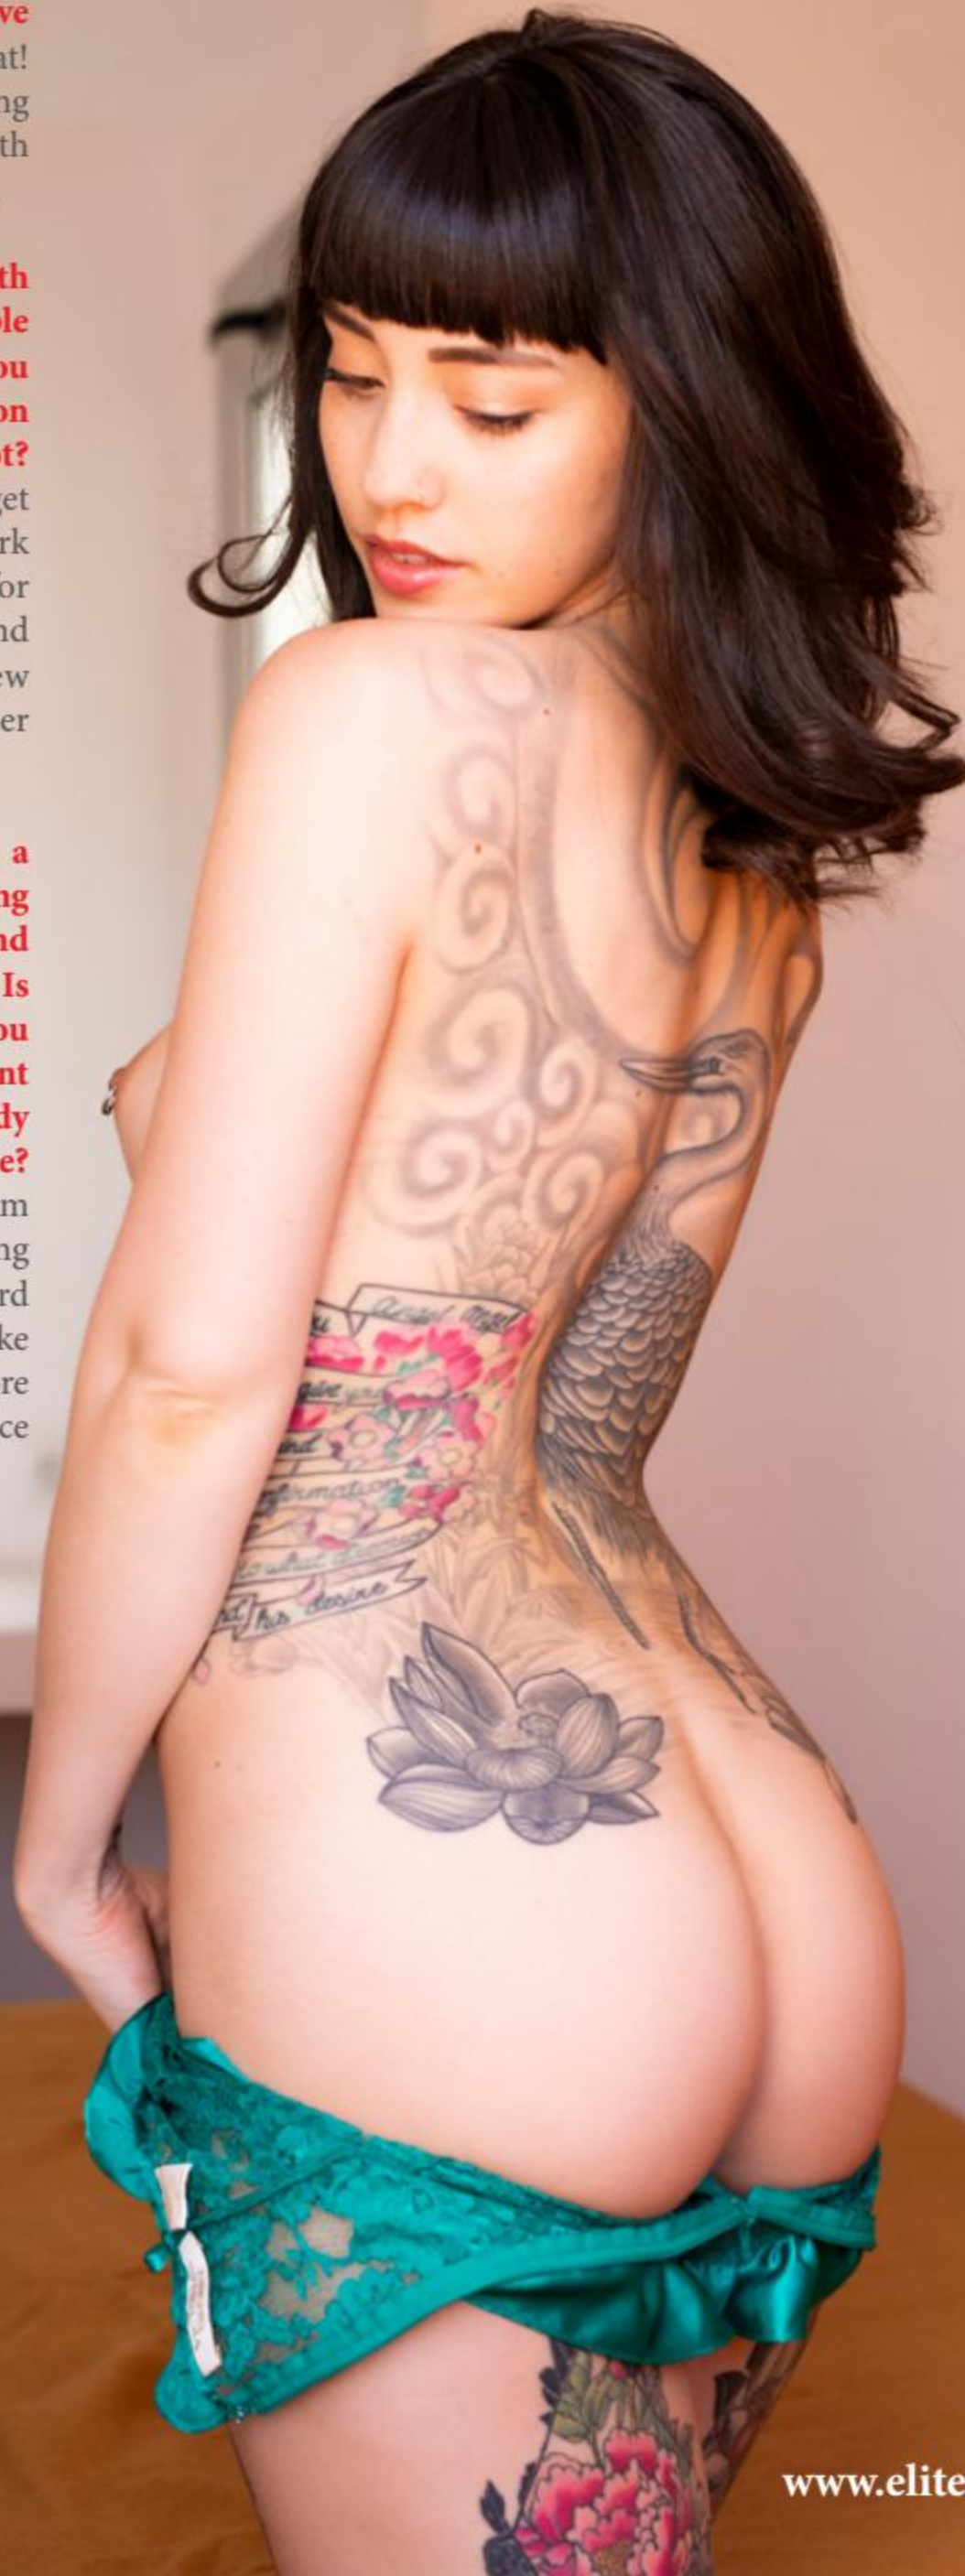

**Welcome Asami, always a delight to feature a lady of your wonders. How have you been?** I've been great! In the process of relocating to Barcelona which is both exciting and nerve-wracking.

**You're a very busy lady, with multiple fingers in multiple pies, so to speak. Do you ever struggle for inspiration going from shoot to shoot?** Absolutely. Sometimes I get in creative ruts if I overwork myself, so it's important for me to take time off, hike and go on roadtrips, meet new people, and have fun in order to "recharge".

**You're a chameleon of a model, constantly changing what you produce and keeping your work fresh. Is that all instinct, or do you experiment with different poses, looks and body positions in your downtime?** I practice all the time! I am constantly looking at posing and even have a pinterest board of all my inspiration. I like looking through them before and during a shoot to practice and use as a reference.

**YOUR WORK TAKES YOU ALL OVER, AND TO SOME EXOTIC LOCALES. WHERE IS THE BEST PLACE YOU'VE SHOT? SO FAR, MY FAVORITE SHOOTING LOCATION WAS IN SITGES, SPAIN.**

**Tattoos are of course a massive part of your creativity. Do you see your ink as an evolving work in process, or is there a structured plan?** My ink will always be a work in progress most likely. Most of my tattoos mark moments in time that were significant. I can't say that the artwork itself is meaningful, but when I look at one, it immediately takes me back to that time and place.

**We're speaking aesthetically of course, and a magnificent part of your aesthetic is a quite fabulous bottom. Do you understand people's fascination with that yet?** Haha, thank you! I definitely recognize that it's my best ASSet. Personally, I like butts too, but everyone has their own reasons!

**SPEAKING OF YOUR LOOK, HOW DO YOU KEEP EVERYTHING SO IMMENSE? YOU'VE GOT TO HIT THE GYM PRETTY HARD RIGHT? PLEASE DON'T SAY IT'S JUST A HIGH METABOLISM, WE WILL CRY. I'D SAY A MIX OF BOTH, HAHA. I'VE ALWAYS PLAYED SPORTS AND EXERCISED, SO I'VE NEVER SEEN WHAT I'D LOOK LIKE IF I SOLELY RELIED ON MY METABOLISM. MY DAILY ROUTINE INCLUDES CARDIO AND GENERAL TONING/STRENGTH TRAINING EXERCISES (ABS AND BOOTY WORKOUTS ARE MY FAVORITE!).**

**Food is obviously very important to you Asami, what would you say your favourite meal is?** Ooh that's such a hard question! Right now, I'm obsessed with phở which is a Vietnamese soup. There are so many different types and I love how refreshing and flavorful.

**You have just been to Europe, tell us one of your favourite stories of being there?** Well, Barcelona was so incredible that I've decided to move there! I met so many wonderful people including my current partner.

**WHAT ANIME ARE YOU  
OBSESSED OVER RIGHT  
NOW?** MY TOP ANIMES  
RIGHT NOW ARE FOOD  
WARS (SHOKUGEKI  
NO SOMA), DEMON  
SLAYER, FIRE FORCE,  
MY HERO ACADEMIA,  
AND HAIKYU. I'M  
ALWAYS WATCHING  
ANIME HAHA SUCH A  
NERD...

**YOU'RE INVOLVED IN SO MANY ELEMENTS OF THE INDUSTRY, ONE OF MY FAVOURITES BEING THE SUICIDE GIRLS. WHAT DOES IT MEAN TO YOU BEING A PART OF THAT SISTERHOOD?**  
I'VE MET SOME OF MY CLOSEST FRIENDS AND TRAVELED TO PLACES I NEVER WOULD'VE HAD THE OPPORTUNITY TO VISIT - ALL BECAUSE OF SG. IT'S AN INCREDIBLE COMMUNITY AND I'M SO GRATEFUL TO BE A PART OF IT.

**Another industry you are involved in, is the cosplay world. Do you have any favourite days as a cosplayer?** My first experience cosplaying was Anime Expo LA in July 2008. It's one of my fondest cosplaying memories since it was so magical! I dressed up as vampire Yuki Cross from Vampire Knight (manga).

**Which brings us to your Elite Online awesomeness this month. How was your cover shoot?** It was incredible and so much fun! All the sets were shot at this adorable, cozy Airbnb in Barcelona and I absolutely love every photo we took that day. The outfitting was on point and so was the lighting!

**Our photographers are pretty big deals; quality personified. How did you get on?** We got along so well! It was great to finally meet after SO many years of chatting online. I'm glad we were finally able to meet and create together.

**Set the scene for our readers. We see the sexy results, but what goes on during an Asami shoot?** Despite what the images look like, I'm quite goofy on set. I burp a lot and try to make silly faces to lighten the mood. Sometimes nerves and awkward silences can make the energy tense, so I like to have fun and enjoy myself - I hope it comes across in the photos!

**We mentioned downtime earlier, what have you been feasting your eyes and ears on recently?** I've been playing a LOT of Pokémon Go while going for long walks and listening to music. If I'm not playing games I'm probably watching anime, haha!

**We're drawing to a close sadly. Before you go, make us all feel like we know you a little more. Whisper a secret about yourself in our ear...** I think I might be developing a foot fetish... will you rub my feet for me, please ;)?

**Lastly Asami, have you got a message for all your, by now drooling, Elite Online fans?**

Thank you so much for your support and for continuing to enjoy my work! I look forward to sharing more photos with you again <3

**GREEP  
STREET®**

**Welcome to Elite Online, how you doin'?**

It's good to be back! I'm great thank you.

**Wonderful to have you featuring, what was it like to shoot with us?**

Always a pleasure!

**Where are you from? Tell us a little about yourself:**

I'm your friendly neighbourhood scouser.

**Do you also watch what you eat, or is every day a cheat day?**

Yes I watch it cook then watch it go into my mouth.

**What's the dirtiest meal you regularly stuff your face with? Is this a fetish?**

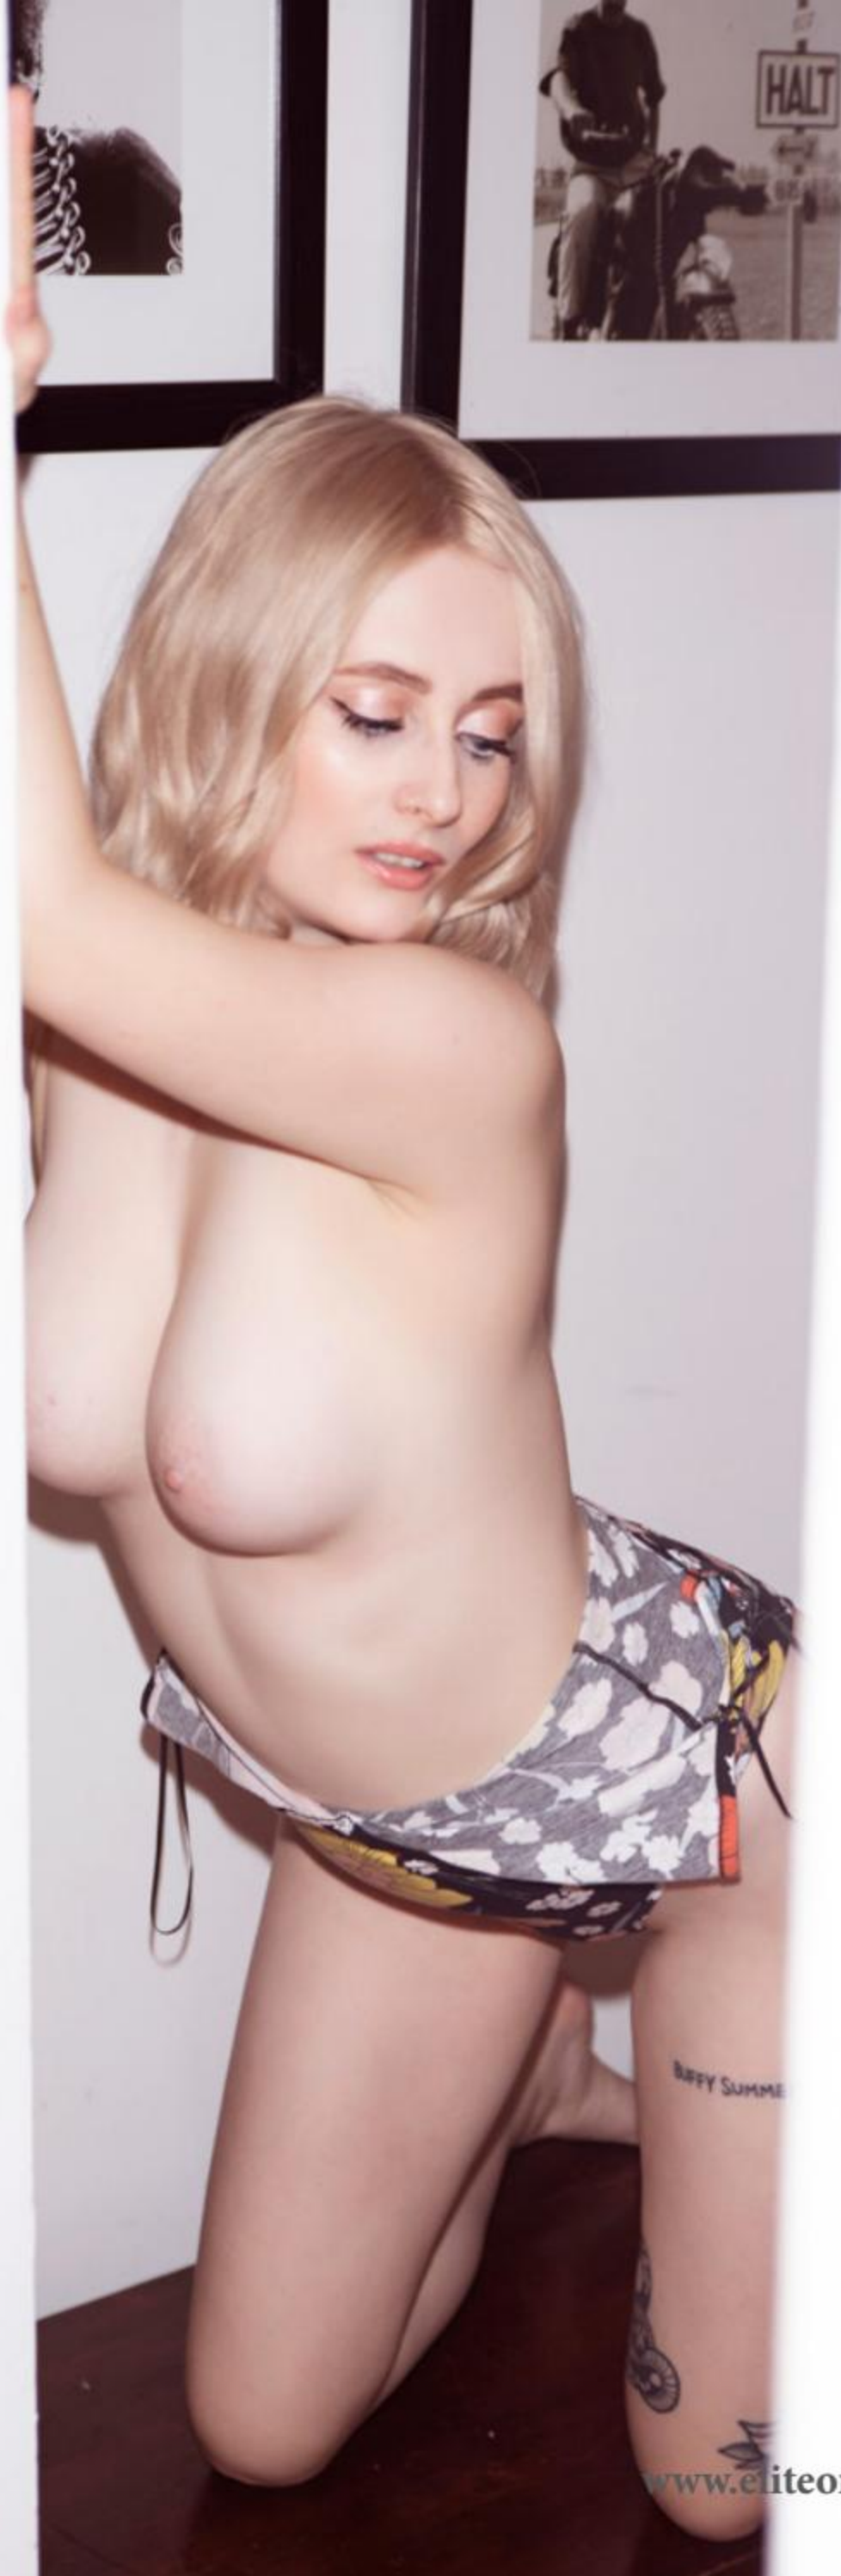

**You've gotta have a drink to wash it down as well. What's your alcohol of choice?** It changes daily! I love red wine at the moment.

**Winter has hit us here in the UK. What do you look forward to the most when the holiday season arrives?**

It's been and now you have reminded me it's over and I'm sad.

**Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains?**

At the moment I'm taking inspiration from outside of this industry as I am starting a new venture.

**UNFORTUNATELY WINTER  
ALSO MEANS LESS OUTDOOR  
SHOOTS. WHERE IS YOUR  
FAVOURITE PLACE TO SHOOT?  
AND WHAT'S A MUST ON SET  
FOR YOU? I LIKE TO SHOOT  
ANYWHERE COLD SO MY  
NIPPLES STAY HARD! I ALSO  
LIKE A GOOD PLAYLIST.**

**WHAT HAVE YOU BEEN WATCHING RECENTLY? I'M LATE TO THE PARTY BUT I'M ABSOLUTELY OBSESSED WITH GAVIN AND STACEY AT THE MOMENT!**

**IT'S BEEN A BLAST, THANKS  
FOR TAKING THE TIME TO  
SPEAK WITH US. HAVE  
YOU GOT A MESSAGE FOR  
EVERYONE SEEING THIS?  
REALLY HOPE YOU ENJOY MY  
TITTIES. HAPPY NEW YEAR!**

**MRDUCKTAIL.COM**

**Welcome to Elite Online, how you doin'?** Thank you! I'm very well and very busy, as always! I'm currently writing up a travel plan for 2020 and of course one of the places I MUST visit is Elite Online HQ.

**Wonderful to have you featuring, what was it like to shoot with us?** Shooting with Elite is always an absolute blast. We have so much fun singing and dancing that I forget we are shooting. I think in the space of one day we managed to shoot 13 photosets, a few videos AND fill ourselves with cake.

**Where are you from? Tell us a little about yourself:** I'm a country girl from Northamptonshire and have been an alternative glamour and fetish model for around 2 years now. I also play bass in industrial metal band, FLEISCH and I'm currently learning how to fire dance. I love music, latex, kinky parties, dinosaurs and junk food.

**What's the dirtiest meal you regularly stuff your face with?** Chips and gravy - always. It has to be super vinegary chip shop chips too, with really thick gravy. Heaven.

**You've gotta have a drink to wash it down as well. What's your alcohol of choice?** Well, I'm not too fussy. I love a good gin and tonic, but as it's winter I've been indulging in Disaronno and coke - the taste of Christmas.

**Winter has hit us here in the UK. What do you look forward to the most when the holiday season arrives?** I can't say that I am the most festive person because I prefer being a bitchy goth, but I love cooking Christmas dinner and look forward to watching The Muppets Christmas Carol every year without fail.

**Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you?** Yes, good! I previously made the mistake of shooting fully nude outdoors in February and it was awful! I love to travel abroad to shoot and I'm a sucker for rolling around naked on the beach in the sun. A must on set is good music so I can really let go, be silly and have fun while I work.

**DO YOU ALSO WATCH WHAT YOU EAT, OR IS EVERY DAY A CHEAT DAY?** OH I'M THE WORST. I HAVE BEEN VEGAN FOR 6 YEARS, BUT I MAINLY JUST COOK MEXICAN FOOD OR SNACK ON CRISPS. IT'S NOT REALLY CHEATING IF YOU EXCLUSIVELY EAT JUNK, RIGHT?

**WHAT HAVE YOU BEEN LISTENING TO RECENTLY?** I'M CURRENTLY LISTENING TO A REAL MIXTURE. MY SPOTIFY PLAYLISTS HAVE GONE INSANE. I LOVE INDUSTRIAL, METAL, NEW WAVE AND SOUL BUT AT THIS VERY MINUTE I'M PLAYING THE DOORS **...WATCHING RECENTLY?** MUCH LIKE EVERYONE ELSE I REALLY INDULGED IN BINGE WATCHING 'YOU' ON NETFLIX. OTHER THAN THAT, I'VE BEEN WATCHING A LOT OF STUDIO GHIBLI MOVIES **...WEARING RECENTLY?** LATEX, OF COURSE!

**IT'S BEEN A BLAST, THANKS FOR TAKING THE TIME TO SPEAK WITH US. HAVE YOU GOT A MESSAGE FOR EVERYONE SEEING THIS?** THANKS FOR READING AND I HOPE YOU ENJOY MY FEATURE! I'LL BE BACK SOON BUT IF YOU WANT TO SEE MORE YOU CAN FIND ME ON INSTAGRAM @RUBY.ALEXIA OR TWITTER @MISSRUBYALEXIA

# ILLTAMS

**Welcome to Elite Online, how you doin'?** I am doing really well thank you had a few days off work finally so I am feeling refreshed!

**Wonderful to have you featuring, what was it like to shoot with us?** I had the most fun as always, I got to listen to Panic At The Disco and eat vegan chicken! I mean what a day!

**Where are you from? Tell us a little about yourself:** I'm from the East Midlands, but I currently live in Birmingham, I love wrestling, cars, avocados and nice whisky!

**What's the dirtiest meal you regularly stuff your face with?** I'd like to say I do but my lifestyle is hectic so I just eat chips or meal deals most days! On a Sunday at work I always eat chips, cheese, gravy and veggie sausages with bread to soak up the gravy everyone at work thinks I'm weird so maybe that?

**You've gotta have a drink to wash it down as well. What's your alcohol of choice?** I drink straight whisky normally Buffalo Trace or Makers Mark, I am a massive fan of a good pale ale though.

**WINTER HAS HIT US HERE IN THE UK. WHAT DO YOU LOOK FORWARD TO THE MOST WHEN THE HOLIDAY SEASON ARRIVES? I LOVE GETTING HOME AND HAVING A BATH WITH MY FAVOURITE LUSH BATH BOMB AND PUTTING IN FLUFFY SOCKS FOR BED!**

Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I like shooting anywhere abandoned that has a cool feel to it, so like old car parks, factories that kinda thing. As for sets I like anything that doesn't make me feel like me so like ball gowns or dresses, I don't often get to dress up so it's a chance for me to be someone else which is kinda cool!

**Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains?** Ah loads people! There are so many talented people in the world! If I started naming a few I would be here for days!

**What have you been...**

**...listening to recently?** Sleep Token - their new album is mind blowing. Definitely a band you need to watch live if you get a chance.

**...watching recently?** I don't watch loads of TV I won't lie I recently got back in to WWE so I've been watching loads of NXT that and the new Rick and Morty maybe.

**...wearing recently?** Vegan Dr Martins and my black denim jacket is a winter look for me! Can't wait for summer though, so I can add a little colour back in my life haha!

**It's been a blast, thanks for taking the time to speak with us. Have you got a message for everyone seeing this?**

# PAULINKI

**Welcome to Elite Online, how you doin'?** I am good thanks, I had a great Christmas and New Year!

**Wonderful to have you featuring, what was it like to shoot with us?** Thank you so much for featuring me once again, it's such an honour! I cannot stress enough how much I LOVE shooting with ATOM. He always makes me feel super comfortable and it's always so much fun, good music and lots of singing on the set haha!

**Where are you from? Tell us a little about yourself:** I am originally from Poland however I moved to Scotland when I was only 11 years old, I am 24 now.

**Do you also watch what you eat, or is every day a cheat day?** Everyday is definitely a cheat day for me haha, I am lucky that I don't put on weight very easily! I know that's probably due to change the older I get, but for now am enjoying eating anything I want haha.

**WHAT'S THE DIRTIEST MEAL YOU REGULARLY STUFF YOUR FACE WITH?** LOTS OF PIZZA AND CHIPS, SOMETIMES I MIX THEM BOTH AND GET A PIZZA CRUNCH, WHICH IS A DEEP FRIED PIZZA. MY FAVOURITE! JUST TALKING ABOUT IT MAKES ME WANT TO HAVE IT RIGHT NOW HAHA.

**YOU'VE GOTTA HAVE A DRINK TO WASH IT DOWN AS WELL. WHAT'S YOUR ALCOHOL OF CHOICE?** DEFINITELY WHISKY AND COKE! THAT'S MY WEEKEND DRINK, BUT I ALSO ENJOY A BEER OR TWO ON A WEEK DAY, PERHAPS AFTER A LONG DAY OF WORK.

Winter has hit us here in the UK. What do you look forward to the most when the holiday season arrives? Lots of time off with my family and friends. That's my priority!

Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I really enjoy shooting in the shower haha I definitely would love to do more wet looks in the future! A must is always good contact with a photographer and good music in the background!

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? I am super inspired by few photographers lately. I must say ATOM excelled himself with this shoot, he definitely inspired me to take more time off to shoot, I can't wait to work with him again. There is another photographer who I can't wait to work with, his name is @matkoboska on Instagram. His work is definitely inspiring and so unique! I can't wait to work with him this year!

**WHAT HAVE YOU BEEN...**

**...LISTENING TO RECENTLY?** I'VE ACTUALLY BEEN LISTENING TO LOADS OF NEW MUSIC LATELY. FROM POST MALONE, THROUGH MELANIE MARTINEZ TO STRAY FROM THE PATH. I LOVE JUMPING BACK AND FORTH BETWEEN MUSIC GENRES!

**...WATCHING RECENTLY?** I'VE BEEN SO INTO VIKINGS LATELY AND I AM SO EXCITED TO START WATCHING THE WITCHER ON NETFLIX!

**...WEARING RECENTLY?** CONSIDERING THE COLD WEATHER I'VE NOT BEEN WEARING LOADS HAHA. I AM USED TO WEARING SKIRTS AND FISHNETS ALL YEAR ROUND HAHA.

**IT'S BEEN A BLAST. THANKS FOR TAKING THE TIME TO SPEAK WITH US. HAVE YOU GOT A MESSAGE FOR EVERYONE SEEING THIS?** THANK YOU SO MUCH ONCE AGAIN FOR SHOOTING WITH ME AND FEATURING ME THIS MONTH. THANK YOU TO ALL OF YOU WHO TOOK THE TIME TO READ THOUGH THIS! I HOPE EVERYONE HAD A GREAT CHRISTMAS. SEE YOU IN 2020 HOPEFULLY!

**Welcome to Elite Online, how you doin'?**

I'm doing pretty good! It's been too long since I've been with you guys!

**Wonderful to have you featuring, what was it like to shoot with us?**

Awesome as always! I always have so much fun shooting with you, it's just so relaxed and such a laugh!

**Where are you from? Tell us a little about yourself:** Well, originally I'm from Hampshire but I've lived near Bristol for years now in Somerset. So I have a bit of a farmer, country bumpkin twang on some words now! I'm a bit of a nerd. A lot of a nerd really! I spend most of my time playing Pokémon and binge watching It's Always Sunny In Philadelphia because I'm just cool like that.

WHAT'S THE DIRTIEST MEAL YOU REGULARLY STUFF YOUR FACE WITH? OH MAN. I MEAN, I DO LOVE A TAKEAWAY. MAYBE A VEGETABLE ROGAN JOSH WITH BOMBAY POTATOES AND CHIPS. OOF.

**You've gotta have a drink to wash it down as well. What's your alcohol of choice?** I do like a good cider. Obviously, living in Somerset that's what we all drink. I'm into fruity ciders like Rekorderlig. Or Thatcher's for regular cider. I do like gin as well, and they do some great flavoured ones. Violet gin is the tits.

**Winter has hit us here in the UK. What do you look forward to the most when the holiday season arrives?** I've always loved Christmas so when all the lights everywhere start going up it always makes me happy. Putting on cosy jumpers and making duvet nests on the sofa.

**Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you?** I don't think I have one particular favourite place to shoot! I love to mix it up and shoot in different places. Obviously shooting on a bed is always good, especially for boudoir, nude shoots. But when I do cosplay sometimes different locations make more sense - sometimes even an outdoors shoot in the winter works for some cosplays. I think a must on a set for me is more about different angles etc rather than something about the location. Especially if it's a big set like Suicide Girls sets are. 50 pictures of all the same angle gets a bit boring!

**Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains?** Nola Jean is amazing and she's also doing great cosplay work! There's also a lewd model who does a lot of lewd cosplays called Pixie Cat who I absolutely in love with (@pixiecat) - she's so cute it hurts!

**What have you been listening to recently?** My Chemical Romance. My 16 year old heart can't take the reunion! I'm just waiting for them to announce a new album and tour....**watching recently?** Ugly Betty. I've been on a Betty binge lately. **...wearing recently?** Jumpers! I even got a Ravenclaw ugly Christmas jumper as a present (yes, that's my Hogwarts house).

It's been a blast, thanks for taking the time to speak with us. Have you got a message for everyone seeing this? Thank you so much! It's been tough lately as some of you may know I lost my old Instagram account and have had to start up again; and I love every single one of you for supporting me - and Elite for always being there and always helping me out as well.
